

Go Green and Save Green

If you bought an electric vehicle home charging station in 2021 make sure to claim it on your taxes. You could earn a 30% credit up to \$1000!

EV HOME CHARGING CREDIT

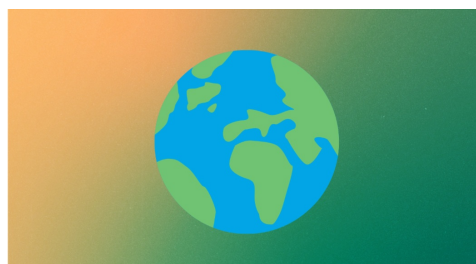

[Download the free PlugShare app and discover electric vehicle charging stations wherever your journey takes you.](#)

The Savings Rundown

From using a more stable "fuel" to bridging the cost gap in electric vehicle technology - the savings has never been so clear.
