

# GAS ENERGY SAVING CREDIT PROGRAM

To celebrate **Public Power Month**, Westfield Gas + Electric would like to offer our gas heat customers an opportunity to earn a **\$50 Energy Credit** for reducing their gas consumption.

During the months of January, February, and March, if you reduce your gas consumption by 10% \*compared to your last year's bill and in accordance with program requirements, you will receive a **\$50 Energy Credit** applied to your WG&E account.

For more information about a free home energy saving audit and tips on how to lower your energy bill, visit our website at **www.wgeld.org**.

## PROGRAM GUIDELINES

- Participants must be WG+E residential gas heat customers with at least twelve months of gas consumption history.
- Participants must complete an application for participation by the December 31 deadline.
- The first 100 qualified applicants will be accepted into the program.
- WG+E will monitor program participants' consumption and calculate net energy savings throughout the months of January, February, and March (\*last year's vs. this year's energy consumption normalized for weather variables).
- Participants will be notified of their results in April. Successful participants will receive a \$50 Energy Credit applied to their WG&E account.

If you are interested in participating in the Gas Energy Savings Credit Program, please complete the information below and **return this form** to WG+E by December 31.
